<p>One thing I have particularly likes this year</p> <p>Comments included:</p>	<p>A big thank to all staff! Homeschooling has been executed well &amp; teachers have communicated well.  The support given to parents and children through lockdown.  The way they handled the covid restrictions and how they made sure the children were safe  How the school dealt with covid restrictions  My daughter being back at school as she has missed being with her friends  "The system of the children going in and out of school much easier  Plus having there kit on already for a pe day is extremely helpful and less stressful on the children getting changed "  I was finally offered help with remote learning from some teachers, however not all we're helpful.  How welcoming the staff are.  My child went in to school on her first day really well the teachers made her feel so welcome n I'm happy for that thank you.  How the school have dealt with the pandemic! I think it was dealt with amazingly  The new hib that has been introduced to my son.he loves it  How well covid 19 was managed at the school  My son has his one to one  Teachers are very good.  The support given to improve her Phonics.  The adaptions made and management of the pandemic. Information and advice was shared appropriately and I feel every effort was made to keep children and parents as safe as possible.  The quality of teaching provided by Mrs Melia and consistency during pandemic.  The nurture and support staff show to the children and parents alike is second to none.  The lessons have been well structured.  Although the kids had a tough year the staff always made sure that all kids we're OK and that all parent knew how to work online learning.  How hard teachers worked to help children during lockdown.  the school commitments to teach our children during this time of Covid 19  The professionalism, kind heart and fully commitment of all Nursery staff.  How happy the staff are to see the children.  Is the way the teachers welcome as the parents and the children.  The support in this pandemic year was so good.  Football  Excellent online learning and response to the unprecedented pandemic.  My son is in school</p>
<p>One thing I believe could be improved next year</p> <p>Comments</p>	<p>Improve the pick up and drop off solution having to walk in road with my children as people are blocking pavements and won't move  Communication to parents regarding medical needs  Communication between staff and head teacher and parents  More homework  Not to put things onto microsoft teams  Nothing</p>

included:

Children should not be held back if they are advanced in learning. I have been told this may be due to school averages and not wanting the positively skew the class/year average.  
Can't think anything at the moment  
"Remote learning for children that do not have access to teams.  
Homework to be available for all not just children with access to teams.  
Allowing children to work to their full potential rather than stopping them in order to meet averages. "  
"An end of years prom for year 6 leavers  
Or photographs in suits and dresses as the children haven't had any trips"  
"Remote learning for homework needs to be looked at. Not all children have iPads.  
More support for ALL families not just those on benefits. We all need support  
Nothing.  
More variety of after school clubs .  
Someone bullied my kids in school I don't like this thing  
Gates opening on time in the morning. Being a few minutes late makes all difference making people late getting to work.  
Nothing  
More availability for afterschool activities.  
Better way to improve educational needs and reinforcing,reimplementing catching up programmes for children due to covid.  
School need to remember some pupils do not have access to home Internet so should be more prepared for this situation  
More communication  
Homework  
Nothing. Carry on with the amazing work.  
A more challenging homework. Letting parents know about additional resources they can access at home to help with their children's learning  
"There is never no home work for my child  
Or spelling book/sheets."  
Nothing  
Some homework will be good for a catch-up time lost during covid.  
Parents at the school gates congregating and using abrupt language in front of their children.  
More support for kids leaning and developing skills.  
regular check on children education at home in case any more remote learning has to happened again.  
Communication between parents and school.  
More structured homework  
Is to have a place that if it's raining we can stay if dropping the children. So the children will not get wet before they enter the classroom. Thank you  
Nothing much.  
More after school club  
Opportunity to change reading books more frequently.  
My son learning more
