

# St James Fraction, Decimal and Percentage Journey

## COUNTING IN FRACTIONAL STEPS

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
		<i>Pupils should count in fractions up to 10, starting from any number and using the 1/2 and 2/4 equivalence on the number line (Non Statutory Guidance)</i>	count up and down in <b>tenths</b> Number lines Blank fraction strips	count up and down in <b>hundredths</b> Number lines Blank fractions 100 squares		

## RECOGNISING FRACTIONS

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	recognise, find and name a half as one of two equal parts of an object, shape or quantity Shapes to cut out Cubes Ten frames	recognise, find, name and write fractions $\frac{1}{3}$ of a length, shape, set of objects or quantity Shapes to cut out Cubes Bar models	recognise, find and write fractions of a discrete set of objects: unit fractions and non-unit fractions with <b>small denominators</b> Blank Fraction walls Counters	recognise that <b>hundredths</b> arise when dividing an object by one hundred and dividing tenths by ten Number discs (BPP) Place value charts (BPP) Number lines	recognise and use <b>thousandths</b> and relate them to tenths, hundredths and decimal equivalents (appears also in Equivalence) Base 10 Number discs (.PBR)	
	recognise, find and name a quarter as one of four equal parts	recognise, find, name and write fractions $\frac{1}{4}$ , $\frac{2}{4}$ and	recognise that tenths arise from dividing an object into 10 equal parts and in			

Black – The objective

Blue – The manipulatives that need to be used

Orange – Taught discretely or taught during mental maths/rapid recall

Purple – Covered in within other lessons/objectives.

# St James Fraction, Decimal and Percentage Journey

	of an object, shape or quantity Shapes to cut out Cubes Ten frames	$\frac{3}{4}$ of a length, shape, set of objects or quantity Shapes to cut out Cubes Bar models	dividing one – digit numbers or quantities by 10. recognise and use <b>fractions as numbers:</b> unit fractions and non-unit fractions with small denominators Part-whole (partitioning) Blank fraction strips			
<b>COMPARING FRACTIONS</b>						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
			<b>compare and order unit fractions</b> , and fractions with the same denominators Part wholes (Partitioning) Fraction walls Blank fraction strips Number lines		<b>compare and order</b> fractions whose <b>denominators are all multiples</b> of the same number Blank fraction strips	<b>compare and order</b> fractions, including fractions >1 Fraction walls Blank fraction strips

Black – The objective

Blue – The manipulatives that need to be used

Orange – Taught discretely or taught during mental maths/rapid recall

Purple – Covered in within other lessons/objectives.

# St James Fraction, Decimal and Percentage Journey

COMPARING DECIMALS						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
				<b>compare numbers</b> with the same number of decimal places up to <b>two decimal places</b> Number cards Dice Number lines Number discs (P.PB) Place value charts (P.PB)	Read and write numbers with up to <b>three decimal places</b> Base 10 Number discs (YP.PBR) Number cards <b>order and compare</b> numbers with up to <b>three decimal places</b> Base 10 Number discs (YP.PBR) Number cards	identify the <b>value</b> of each digit in numbers given to <b>three decimal places</b> Base 10 Arrow cards (P.PBG) Place value charts (P.PBG)
ROUNDING INCLUDING DECIMALS						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
				<b>round decimals</b> with one decimal place to the nearest whole number	<b>round decimals</b> with two decimal places to the nearest whole number and to one	solve problems which require answers to be rounded to specified

Black – The objective

Blue – The manipulatives that need to be used

Orange – Taught discretely or taught during mental maths/rapid recall

Purple – Covered in within other lessons/objectives.

# St James Fraction, Decimal and Percentage Journey

				Rulers Number lines	decimal place Number lines	degrees of accuracy
EQUIVALENCE (INCLUDING FRACTIONS, DECIMALS AND PERCENTAGES)						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
		write simple fractions e.g. $\frac{1}{2}$ of 6 = 3 and recognise the equivalence of $\frac{2}{4}$ and $\frac{1}{2}$ . Bar models	recognise and show, using diagrams, <b>equivalent fractions</b> with small denominators Bar models Blank fraction strips Fraction walls Number lines Fraction cards Blank fraction circles	recognise and show, using diagrams, families of common <b>equivalent fractions</b> Fraction cards Fraction walls Number cards	identify, name and write <b>equivalent fractions</b> of a given fraction, represented visually, including tenths and hundredths Blank fraction strips	use <b>common factors</b> use <b>common multiples</b> use common factors to <b>simplify fractions</b> ; use common multiples to express fractions in the same denomination Fraction walls Bar models Blank fraction strips
				recognise and write <b>decimal equivalents</b> of any number of <b>tenths or hundredths</b> Place value charts (YP.PB)	read and write <b>decimal numbers as fractions</b> (e.g. $0.71 = \frac{71}{100}$ ) Base 10 Number discs (.PBR) Numbers in words	associate a fraction with division and calculate <b>decimal fraction equivalents</b> (e.g. 0.375) for a simple fraction (e.g. $\frac{3}{8}$ )

Black – The objective

Blue – The manipulatives that need to be used

Orange – Taught discretely or taught during mental maths/rapid recall

Purple – Covered in within other lessons/objectives.

# St James Fraction, Decimal and Percentage Journey

				Number cards Number discs	sheets  recognise and use <b>thousandths</b> and relate them to tenths, hundredths and decimal equivalents Base 10 Number discs (.PBR)	
				recognise and write decimal equivalents to $\frac{1}{4}$ , $\frac{1}{2}$ , $\frac{3}{4}$	recognise the <b>per cent symbol (%)</b> and understand that per cent relates to “number of parts per hundred”, and write percentages as a fraction with denominator 100 as a decimal fraction 100 Squares	recall and use <b>equivalences between simple fractions, decimals and percentages</b> , including in different contexts.
<b>ADDITION AND SUBTRACTION OF FRACTIONS</b>						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6

Black – The objective

Blue – The manipulatives that need to be used

Orange – Taught discretely or taught during mental maths/rapid recall

Purple – Covered in within other lessons/objectives.
