Dear Parents / Carers

New website and Parent App

We are pleased to announce the launch of our new school website. Please tell us what you think; your feedback is most welcome.

Having worked closely with our website developer; we have designed this website to provide a comprehensive overview of our aims and values, useful information and resources for parents and carers. Included in the new website is an improved calendar, featuring key events and term dates at the school, an improved navigation structure and updated curriculum information pages. All the images have been refreshed and give a good flavour of school life. We hope you enjoy using it and find it useful.

Our new website is completely compatible with a wider range of devices and will make accessing information much easier when using tablet computers and mobile devices via the Parent App. Details of how to get the Parent App are on the website and on the reverse of this letter.

Our new home page makes the information most commonly accessed by parents and carers more accessible, including our lunch menu, letters and newsletter. Although redesigned, our website address has not changed and you can still access all of the information previously available by visiting [www.stjamesprimary.co.uk](http://www.stjamesprimary.co.uk). I hope you enjoy all that our new website has to offer

Yours faithfully

A handwritten signature in black ink that reads "cmcgregor". The signature is written in a cursive, flowing style.

Mrs McGregor  
Headteacher
