26th February 2019

To parents/carers of all pupils

4 STEPS TO A SMILE

In line with our school values of friendship and love we are, once again, supporting the **4 Steps To A Smile** Easter Egg Project. The charity supports local children and is aimed at putting a smile on the faces of under-privileged children across the Midlands area.

Friday 6th March 2020 will be a non-uniform day - we are asking any children for a voluntary donation of an Easter egg (however small) which will be donated to children across the local area - some of which are based in Women's Refuges, Birmingham Children's Hospital, Barnardo's and are young carers (amongst others).

For further information about this good cause, please click on the link below which will take you to their website: <http://www.4stepstoasmile.com> or on their Facebook/Twitter page.

Thanks for your continued assistance.

Yours sincerely

Mrs McGregor
