To parents of children eligible for Free School Meals

Please note that we have been using the Wonde vouchers via text / email over the past two weeks due to the problems that have occurred with Edenred. This method has been used at a cost to school in order that we are confident that we have made every effort to get vouchers to our families that most need them.

Unfortunately, we cannot continue to fund this method at a cost to the school so we will therefore, be returning to the Edenred voucher system from Monday 11th May 2020. You will receive a £15.00 voucher per week for each child that is eligible for free school meals via the email address that we have used previously, or to the email address that you have provided to us if you have recently been in touch to update your email.

We do hope that the problems with the Edenred website and deliveries have now been resolved; we are confident that our system is up to date so we are very hopeful that everything going forward will run smoothly.

We hope you and your families are keeping well and look forward to seeing you all again in the not too distant future.

Thank you for your patience and understanding over the past weeks with free school meal vouchers, it has been an incredibly busy and complicated exercise for schools and for the companies that have been providing the vouchers.

Yours sincerely
