Dear Parents/Carers

The school photographer will be in school on **Tuesday 1st December** to take **individual** pupil photographs. Due to social distancing requirements, we will not be taking class or family group photos on this occasion.

The photo sessions will be staggered across the whole day to enable a smooth, safe process with social distancing maintained throughout the day.

Please note: where parents have returned the 'consent and permission questionnaire' recently sent out stating that they **do not** wish their child to have an individual photo taken by an external photographer, your child **will not** be photographed.

The photos will be sent home as soon as possible giving parents the opportunity to purchase them (although there is no obligation to purchase). Please note, we cannot guarantee that these will be returned in time for Christmas so please bear this in mind if ordering for Christmas gifts.

Yours faithfully

Mrs C McGregor
