

Dear Parents and Carers

Many of you will have seen the announcement from the government tonight about school closures. The government have announced that schools will be closed from tomorrow and remove to full remote learning until February half term at least.

As we have an INSET day planned for tomorrow, we will go ahead with this as planned as it gives us much needed planning time to sort operations out. Children who need key worker places will then be back in school on Wednesday.

School will remain open for children of critical key workers as it was during the first lockdown so we are expecting the same families will need to use us again. We need to keep numbers as low as possible in school to ensure the risk of transmission is low so please only use the provision if there is nobody else available to look after your children.

If you require a key worker place in school, please fill in the application form using the link below. Please make sure that you fill in a separate form for each child you need a place for. If you have two children, fill in two separate forms. **Please can I request that you do this by 10am tomorrow morning.**

The list of critical key worker roles is available to view on the government website.

Please click on the link to access the form:
