Headteacher: Mrs C McGregor

24th June 2021

To parents carers of Pupils in Year 5

Dear Parent,

Y5 FOOD TECHNOLOGY LESSONS

During our Design Technology topic this term we will carrying out some practical tasks including sampling muffins (during w/c 28/06/2021) and making muffins (during 12/07/2021). These tasks will be carried out in small groups all in accordance with COVID guidelines.

The following ingredients may be used:

Flour	Sugar	Eggs
Butter	Vanilla Extract	Yoghurt
Blueberries	Chocolate chips!	Bicarbonate of Soda
Raspberries		

If your child has any allergies/food intolerances that may be affected by any of these ingredients, please ensure your class teacher is made aware **before Monday 28th June**. The best way to do this is to send a message via your Class Dojo account or an email to contact.us@stjamespri.uk.

Parents do not need to provide any ingredients but we would be grateful if they could bring in an apron if they have one.

I trust this is self-explanatory but should you require any further information, please contact your child's class teacher.

Many thanks

Miss Veal
Y5 TEACHER
