Dear Parents / Carers

### Parking around school

Thank you to those parents who park responsibly, safely and respectfully. However, we have received complaints from parents who are concerned about potential accidents. The concern is about how some of our parents are parking their vehicles on pavements and restricting access for prams and pushchairs.

Can I please I ask that parents are mindful of where they are parking and the safety implications of where they position their vehicle.

This reflects poorly on our school relationship with the community and is undoubtedly not in keeping with our values for consideration and respect for others, values that the pupils, parents and the wider school community took part in choosing.

Please be mindful of where you park your vehicle when dropping off and collecting your children to avoid potential accidents, penalties and upsetting our local community.

Thank you for your understanding.

Yours sincerely

A blue ink handwritten signature, appearing to read 'D. Heather'.
