Dear Parents and Guardians,

We would like to remind you that our school is a nut-free environment.

Please do not send any nuts or products containing nuts with your child to school. This includes snacks, lunches, and treats for special occasions. We have pupils who experience severe allergic reactions to nuts, and their safety is our top priority.

If you are sending in Celebrations chocolates or any other variety boxes for birthdays or other events, please ensure that all confectionery containing nuts, such as Snickers, is removed from the box before it is sent into school. Your attention to this detail helps us maintain a safe environment for all of our pupils.

Thank you for your understanding and cooperation in this important matter.

Yours sincerely
