Dear Parents/Guardians

We would like to inform you about an exciting event we have planned for the children on 22nd May: our Future Dress Up Day. This special day allows children to dress up as what they aspire to be when they grow up, all in exchange for donations towards our upcoming summer fayre.

On this day, children are encouraged to express their future ambitions through their costumes. They can choose to dress as anything they wish, with examples including doctors, firemen, teachers, princesses, footballers, and many more. We kindly ask that you utilise items you already have at home, as parents and guardians are not expected to purchase new outfits for this occasion.

This event not only provides a fun opportunity for the children to engage in imaginative play, but it also supports our summer fayre, which is a vital fundraising event for our school. Your contributions will help us enhance the educational experiences we offer to our students.

Thank you for your continued support and cooperation. We look forward to seeing the children's creative costumes and hope that they enjoy this opportunity to showcase their dreams. Should you have any questions or require further information, please do not hesitate to contact us.

Yours sincerely,

A handwritten signature in cursive that reads 'M Thomas'.
