School Photo Day - Wednesday 21st October

Dear Parents and Guardians

We are pleased to let you know that our school photo day will take place on Wednesday 21st October.

We will organise the day carefully to ensure that each child can have their photograph taken.

Due to time constraints, we have decided that sibling photographs will not be taken during the school day this year. We appreciate that many families enjoy having photographs of siblings together, so parents and carers are welcome to bring siblings to school before the day begins.

If you would like your children to have a sibling photograph, please arrive between 8.00 am and 8.30 am. This will allow the photographs to be taken before the school day starts. Please ensure that you arrive within this time window, as we will be unable to offer sibling photographs during the school day. The queue will close at 8.30am prompt.

Individual photographs will be taken throughout the school day.

Thank you for your understanding and cooperation. We look forward to seeing the children ready for their individual photographs and welcoming families who would like a sibling photograph taken.

Yours sincerely,

Mr D Heather
Headteacher
