Children in Need - Friday 13th November

Dear Parents/Guardians

We are looking forward to celebrating Children in Need Day on **Friday 13th November**.

The theme this year is **"Challenge Yourself"**. To mark the occasion, we are challenging the children to think about their hopes and ambitions for the future. We would like them to come to school dressed as what they aspire to be when they are older. This could be a doctor, teacher, firefighter, scientist, dancer, artist, athlete or any other job or role that interests them.

If your child would prefer not to dress up, they can simply wear **something yellow** instead. This might be a yellow jumper, T-shirt, hair accessory or another yellow item. There is no need to buy anything specially; children can use clothes or items they already have at home.

A donation can be made on ParentPay.

We hope this will be an enjoyable opportunity for the children to express themselves, share their dreams and celebrate the different ambitions within our school community. We look forward to seeing their creative outfits and hearing about the futures they imagine for themselves.

Thank you for your support.

Mr Heather
